

A photograph of four female graduates in black gowns and blue stoles celebrating. They are all looking upwards with their arms raised, and their black graduation caps with gold tassels are floating in the air above them. The graduates are wearing blue stoles with gold and yellow tassels. The stoles have the text "CLASS OF 2023" and "UCLA" visible. One graduate is holding a bouquet of flowers. The background is a plain, light-colored wall.

UCLA College

College Honors

College Honors is one of the most prestigious academic awards UCLA bestows upon undergraduate students.

College Honors requires not only outstanding work in a major field and general education but also a special set of rigorous

courses. Students graduating with College Honors have maintained superlative grades and participated in our academic community as intellectual leaders, driven by the strong sense of curiosity and achievement that is the hallmark of an extraordinary academic career.

In Memoriam

The following students passed away during the 2022-2023 academic year.

As we celebrate together the achievements of the Class of 2023, let us also celebrate the lives of these students. They loved learning, served well and gave much.

Luis Jimenez-Bolanos
Kenneth Johnson
Samantha Mensah
