

A photograph of a graduation ceremony. In the foreground, several graduates in black gowns and blue stoles are seen from the chest up, their arms raised in celebration. The stoles feature gold lettering: "CLASS OF 2025" and "UCLA". Some stoles also list specific degrees, such as "Psychology B.A." and "Musicology". In the background, several black graduation caps with white tassels are suspended in the air against a clear blue sky. A semi-transparent white rectangular box is overlaid on the center of the image, containing the main title and subtitle.

Degrees Awarded 2025

UCLA College

College Honors

College Honors is one of the most prestigious academic awards UCLA bestows upon undergraduate students.

College Honors requires not only outstanding work in a major field and general education but also a special set of rigorous

courses. Students graduating with College Honors have maintained superlative grades and participated in our academic community as intellectual leaders, driven by the strong sense of curiosity and achievement that is the hallmark of an extraordinary academic career.
